

Title: **Smokey and His Friends**

Time 40 minutes

Program Description: Here's a chance for younger students to meet Smokey Bear, that famous spokesman for the US Forest Service to spread the message of wildland fire safety and conservation.

Title: **Your Father's Boots**

Time 40 minutes

Program Description: A cultural look at the role that the Second World War played in Indianapolis at Fort Harrison State Park through the '30's and mid 1940's. A discussion of a soldier's life, his uniform, his training, and his boots. Aimed at those classes studying Indiana history.

Title: **Oh Deer!**

Time 40 minutes

Program Description: An educational look at the problem of the white-tailed deer and its management. Math and critical thinking skills used and encouraged for these students.

Title **Wild Fire!**

Time 40 minutes

Program Description: An exciting program designed to look at the world of wildland and prescription fire and its effects on the environment. This program is coupled with an opportunity to discuss options for students interested in looking at conservation as a career choice.
